

# ALAN TUTT

## Biography & Fact Sheet

Alan Tutt, author of *Choose To Believe: A Practical Guide to Living Your Dreams*, is one of the world's leaders in the fields of personal empowerment, persuasion, and the Power of Belief. With 25 years personal experience, tens of 1,000's of experiments under his belt, and over 60 articles published world-wide, Alan has a unique grasp on the fundamentals behind what is commonly known as the Law of Attraction.

Alan's expertise comes from in-depth research of published material as well as from extensive personal experimentation. With a keen focus on measurable outcomes, Alan continues to refine his methods to produce increasingly reliable results.

Results such as:

- Windfall sums of cash “out of the blue”
- Winning games of chance
- Dispersing a tornado in 5 minutes
- Clearing houses of ‘poltergeist’ activity
- Clairvoyance and ESP
- Business and marketing success
- Attraction of Ideal Life Partner within 60 days, complete with many specified details

Alan's latest of 4 books, *Choose To Believe: A Practical Guide to Living Your Dreams*, which sets the foundation for live workshops, is already starting to get extremely positive feedback, including:

**This may be the best in terms of new, useful information I have heard in years. And I've read and heard plenty. — Robert Blake from Philly**

**With this book, Alan delivers what other teachers only promise.**  
- Charles Burke; [BullsEye-Living.com](http://BullsEye-Living.com)

**Choose to Believe will probably be the most important book you read this year.**  
- Iain Legg; [www.RealMindPowerSecrets.com](http://www.RealMindPowerSecrets.com)

The Power of Belief affects every area of life, all the way from defining the way we make decisions all the way to shaping the seemingly random events around us.

The role belief plays in the nature of reality tends to incite heated debates and makes for a very entertaining feature. If this is what you're after, **call Alan at (616) 826-2643 for a powerful and memorable interview.**
